Grab N' Go Line

Hot N Handy® Grab N' Go Pouch offers an excellent opportunity to brand both hot and cold snack foods and improves the consumer experience by giving them a package that maintains the products integrity.

Proprietary venting helps fried products stay crispy and sauced products to stay moist. The new **Grab N' Go** design is great for holding snack foods like, chicken drummies, wings, popcorn chicken, potato wedges, corn dogs, taquitos and more.

Customize your own **Hot N Handy** Pouch and make your snack station a destination!

Pouches are made in
the USA.
